24<sup>th</sup> November 2023

Dear Parents/Carers,

### **Outside Provision in Early Years**

From Monday of next week in Early Years we plan to start to set up our outside classroom before the children come in in the morning. This is so that the outside classroom can be open and ready for our learners much earlier in the day.

To ensure success in this we are asking for your help, as tempting as it may look, please can we ask that no one goes on or uses the equipment before or after school.

This outside space is a learning space, and we want it to be ready for all our learners from the moment we open the doors in the morning.

Thank you for your ongoing support. If you have any questions at all, please speak to your child's class teacher in the first instance.

Best wishes,

*Mrs Walker*
