

Year 1 Homework- Summer Term 2024

How have toys changed?

Welcome to your Summer Term Homework.

This half term, we are learning about toys, old and new. We hope you enjoy the tasks and look forward to sharing what you have been learning at home. As we are limited in what we can share in class, perhaps you could email photos to: Year1@billingshurstprimary.org.uk so that we can then share them on the big screen with the other children. Sometimes there are days when we have more time than others so please do not expect your child to have shown it on the day it comes in. Have a go, try you best and have fun! Happy homework!

Reading

Why not read some traditional stories, such as:

The Traditional Tales of Beatrix Potter
Winnie the Pooh – A.A. Milne
The Wind in the Willows

Which was your favourite? Why?

Maths

Number Bonds to 10!

Can you remember all of the number bonds to 10? Make a poster, a game or some cards to help you to learn them off by heart.

Writing

Read 'Pinocchio' or 'Toy Story' to see what happens to the toys during the night. Imagine what would happen if your favourite toy came to life... Can you write about it?

Be creative!

Look at the paintings by Andy Warhol.
Could you create a picture in this style?

History - Toys!

What can you find out about toys that were played with in the past? Are there any adults you could ask? Perhaps they have some toys you could look at, draw or take a photograph of?

Art and Design –

<https://www.youtube.com/watch?v=leZ16li6oKE>.

Could you make your own puppet and create a puppet show like Punch and Judy?
