Monday 16th October 2023

Dear Parents and Carers,

I am writing with further details regarding the "Ground force day" mentioned in the previous newsletters. It will be on **Saturday the 11th of November, 11:30am – 3:00pm.**

The aim of the day is for staff, parents and volunteers to come into school and work together on specific areas of the school grounds to improve our outdoor environment.

We are looking for a team of 40 adults to join us. We would need you to bring along some basic gardening tools.... Wheelbarrows are always VERY useful!

We will ask you to work in selected areas where we have agreed improvements and work is needed. Children are welcome but cannot take part in any activities involving tools or heavy work. We will provide drink, snacks and a "picnic" lunch.

We would love you to be involved and feel this is a great opportunity to work as a school/parent community. Mr Hampson has produced a poster that you will see around school and please use the QR code below to sign up and let us know if you would like to take part.

Thanks for supporting us with this!

Brian Ball
Interim Headteacher
