

## **SEND Sports festival**

**21.06.2023**

Well what a year it has been for sports at Billingshurst Primary School and years external events have come to close with one of our favourites - the SEND sports festival at The Weald. This year a group of children from Year Three to Five attended with their 1:1 adults and had a fabulous time.

The activities they had chance to participate in ranged from table tennis, tennis and boules. From all the smiling faces and happy chattering, it is safe to say they had a great time. Thank you to Mrs Alford for organising the squad, Mrs Hammond, Mrs Sloan, Mrs Holder and Mrs Hulcoop for giving up their time to attend.

Thank you to all those members of staff who have given their time to attend clubs and events this year – we could not do it without you. Look out next year for the new clubs timetable.

Have a happy summer break.

Miss Brown

Subject lead for PE.
